# 2016 Texas AP Computer Science Summer Institutes
## Transportation and Lodging Support Program

Interested in attending an Advanced Placement Computer Science Summer Institute and having your transportation and lodging expenses reimbursed?  The Center for STEM Education at The University of Texas at Austin is providing travel reimbursements for Texas computer science educators to attend AP CS summer institutes across Texas during the Summer of 2016.  All participants not already being reimbursed by another organization (such as through an AP scholarship or a district) are eligible for transportation reimbursement and those that live more than 60 miles from the event site are also eligible for lodging reimbursement.
