

The University of Texas at Austin Center for STEM Education

Teach CS: Computer Science 8-12 Certification Incentive Program

Application Requirements:

Candidates are required to:

- **be pursuing certification in Computer Science 8-12.**
- not already hold the following certifications: Computer Science 8-12 or Computer Information Systems (any level)
- be currently certified to teach in Texas or enrolled in an approved teacher certification program
- submit an application and required documentation by applicable deadlines
- receive approval prior to testing (exceptions will be made for those who tested between August 1, 2015 and December 31, 2015)
- apply for a specific test window by the applicable deadline
- **register themselves** for the approved test date and pay all applicable fees
- complete all requirements for certification and pay all applicable fees
- provide proof of success on the exam and proof of certification by the applicable deadline
- participate and provide required information in a **post-program survey** during August 2016

Testing and Stipend Information:

Testing Window	Teach CS Certification Program Application Deadline*	Testing Registration Deadline**	Deadline to submit proof of certification*

10/14/15 - 10/17/15	11/30/15	-----	3/31/16
12/9/15 - 12/12/15	11/30/15	12/7/15	3/31/16
1/27/16 - 1/30/16	1/15/16	1/25/16	3/31/16
3/30/16 - 4/2/16	3/22/16	3/28/16	5/18/16
5/18/16 – 5/21/16	5/6/16	5/16/16	7/15/16
7/6/16 – 7/9/16	6/15/16	7/4/16	8/19/16

* Applications and proof of certification must be received by 5 pm on these dates. Failure to submit a complete application may result in loss of stipend.

** For additional information regarding test registration and dates, please go to <http://texes.ets.org/testdates> and look under Computer-Administered Tests.

- Once approved by the program, participants are expected to register themselves for testing and pay all applicable fees.
- Following successful completion of the exam participants must apply for certification, pay all applicable fees and provide proof of certification by the deadline stated above.
- Applicants will be notified of acceptance via email prior to the testing registration deadline.
- The program will accept applications for test windows between 8/1/15 and 7/9/16.
- Proof of successful certification must be received no later than the date specified in the application in order to receive a stipend.
- Funds are limited. Individuals are encouraged to apply early.
- While not required, Teach CS Training is being offered to help participants prepare for the exam. Preregistration is required. Please visit <http://www.thetrc.org/teach-cs/> for more information.

Participation Incentives:

- A stipend in the amount of **\$1000** for documentation of successful completion of certification in Computer Science 8-12

To Apply:

- Complete the online application at <http://www.thetrc.org/teach-cs-incentive-program/>
- Submit the required documentation as explained on the next page
